

Raffaele Trombetta
Ambassador of Italy to the UK

and

Belluzzo
International Partners

are pleased to invite you to

London Workshop 2020

The annual Workshop is an opportunity to hear speakers discuss some of the most pressing and topical tax and legal matters in the UK and Italy. Update briefings highlight key developments and, in line with the culture of the Firm, aim to encourage debate, exchange of ideas and knowledge sharing in these areas.

We do not do everything, but we excel in what we do

Since its inception, Belluzzo International Partners has regarded family business as an integral part of their services.

Belluzzo International Partners is a Tax&Legal Advisory consultancy with a consolidated Financial&Accounting background. We are a multidisciplinary firm, made up of highly qualified and dedicated professionals to serve an international clientele. We have been working side by side with families and their business for many years, and have a deep understanding of the complexities and dynamics which come with business-owning families. We listen to our client's needs, and work in synergy with them to create solutions which are in the best interest of the family and of their business for generations to come.

We have integrated the services of Trust&Wealth with Belluzzo International Partners to create "Bespoke Professional Solutions". This partnership brings together the consultancy services of over 90 professionals working in various jurisdictions, to address the ever more complex challenges that business families have to face.

We appreciate that every client is unique, and we create bespoke solutions to reflect this.
