

The **Israel Desk** provides qualified professional assistance to clients in relation to **Israel inbound and outbound** investments and businesses. Through our extensive network of knowledge we provide **cross-border qualified assistance on EU, Italian and British tax & legal structuring** and **private wealth architecture** for investors, HNWI and business families.

We advise:

- **Companies and investors** who are planning investment in innovative companies, start-ups, real estate and trophy assets, with a distinctive capability on cross border issues;
- **Private clients**, families and their associated Family Offices on key aspects of taxation, relocation, trust and estate planning and inheritance;
- **Institutions, funds and corporate groups** on their tax and legal compliance and accounting services;
