## **HAS Law Firm and Belluzzo International Partners Sign Memorandum of Understanding to Strengthen Cross-Border Collaboration in Dubai, UAE September 09, 2025**

**HAS Law Firm**, a leading full-service Emirati law firm, and **Belluzzo International Partners**, an internationally recognized multidisciplinary firm with a strong presence across Europe/UK and beyond, are proud to **announce the signing of a Memorandum of Understanding (MoU)**.

This strategic collaboration creates a strong framework for knowledge-sharing, joint client initiatives, and the exchange of expertise between the Middle East and European markets. By combining Belluzzo International Partners' international tax and legal expertise with HAS Law Firm's deep capabilities in UAE law and regulatory practice, we are positioned to deliver comprehensive cross-border support across corporate, tax, wealth management, and dispute resolution. Together, we offer clients a seamless, full-service experience in the UAE and beyond.

**Hamdan Al Shamsi**, Managing Partner of **HAS Law Firm**, commented: *"This partnership reflects our ongoing commitment to providing clients with seamless international support. By combining our local expertise in the UAE with Belluzzo's extensive global reach, we are confident that we will deliver enhanced value, innovative solutions, and expanded opportunities for our clients operating across multiple jurisdictions."*

**Alessandro Belluzzo**, TEP, Barrister and Founding Partner of **Belluzzo International Partners** added: *"We are delighted to formalize this partnership with HAS Law Firm. The UAE is a dynamic and growing hub for international business, and by aligning with a trusted local partner like HAS, we can offer our clients comprehensive, cross-border legal and tax advisory services with the highest level of professionalism."*

This collaboration represents a significant step in strengthening both firms' ability to support clients globally, particularly in areas such as private wealth, corporate structuring, international trade, and dispute resolution.
